# ROCKSTAR CLASS OF 2022

Hi!

Thank you so much for your interest in my Rockstar program. This will be our SEVENTH year and I can't tell you how excited I am for all that is to come! This year, I'll get to experience things from a new side because my daughter will be joining our program as a Rockstar and she and I have been planning out this year's shoots for nearly a year!

Included in this PDF you will find a small amount of info about the program as well as the cost of participating. I will go over ALL of the info at Open House, there is a lot so please plan on being with me at Open House for about an hour. If you would like to attend Open House but are concerned about germs, please let me know and I will send you a link to a pre-recorded virtual Open House.

The participation fee is the same as it has been for the last few years but I've decided to make it an all inclusive one lump sum that also includes your senior session, digital images, and a beautiful album, rather than a "rockstar fee" + Session fee + minimum product purchase fee. This will better help both you and I have a very clear layout of what has been paid and what is still due later on in the year (unless you pay all at once up front). A payment plan will be provided at Orientation for anyone who would like to break down the payments throughout the year. If you would like to see the payment plan prior to Orientation, please email me and I'll send it right over.

I look forward to meeting you soon! **PLEASE RSVP by email NO LATER THAN 11/5/20** to save your spot at Open House on November 21st, 2020 at 11am. Open House will be at my Dundee studio 168 Riley St. Dundee, MI 48131.
